Where do I live	Kitumba	
My story and why I need a sponsor.	I live with my aged father (90years) and children of my late sister who are my responsibility. I have a garden where I dig with my nieces and Nephews and we sell food and other for home consumption. In 1947 fell on the desk and hit my eye and this caused one to be blind and I use one eye. I move to people's homes looking for work to do especially washing clothes, cleaning and I get money for a day and live by that. But now I struggle to get work to do for people.	
How am I cared for today?	Working for other people and also sell food in the garden	
Details of my health.	Ulcers, Joint pains	
Recommendations from Director	Highly recommended to be on program.
