<b>My story and why I need a sponsor.</b>	I dig for other people and I get money to sustain my family, however my grandchildren are unable to get all the needs because I cannot afford all of them. My son gave me land where I dig only food for consumption but now the wife wants to take over the land because they also need to use it. This had been difficult for me to care for my family.	
<b>How am I cared for today?</b>	Digging for other people	
<b>Details of my health.</b>	High blood pressure	
<b>Recommendations from Director</b>	Highly approved to be on program.
