My story and why I need a sponsor.	Am a single woman living with my orphaned grandchildren and I struggle a lot to provide for them. I hire land and grow food which I sell and share with the owner of the land as payment. We get food to eat but I also walk distances to look for that land and sometimes when the season is bad am unable to get foods to sale but pay the owner of the land. I have a small piece of land and my grandchildren plant their little food for home consumption.	
How am I cared for today?	I hire land and dig in it.	
Details of my health.	Blood pressure and Headaches	
Recommendations from Director	Highly approved to be on program.
