

# ChristAid, Intl. Annual Report - Year Ending December 31, 2016

ChristAid is a 501(c)(3) non-profit ministry based in Arvada, Colorado. ChristAid has been transforming lives in Uganda since 1995.

**Our mission statement: “ Putting God’s love into action by providing relief, Christian care and education to children and families in Uganda for the Glory of God.”**

## **Ahadi Kids Sponsorship:**

Impoverished school age children receive a good education and spiritual guidance from our dedicated school staff at ChristAid Academy (primary school) and at area high schools. Loving support and prayers from their United States sponsors gives them hope for a brighter future. Our classrooms are bursting with eager minds and joyful hearts!! Thank you Jesus!!

**WE ARE RAISING UP  
FUTURE LEADERS OF  
UGANDA !**

## **Grandmas for Jesus Sponsorship:**

More than 100 individually sponsored Grandmas receive financial assistance every month to help with food, medical care and other needs. The Grandmas are the social and spiritual backbone of the Kicuna community. They hold together family life for their grandchildren in the wake of the AIDS virus which has sadly devastated many young families. The Grandmas enjoy the worship and fellowship ChristAid provides to them.

## ChristAid Building Homes for the Grandmas for Jesus group

In 2013, a home building project was begun to assist Grandmas and kids living in dangerous and decaying homes. It is called, "Shelters in the Storm" and has allowed for the building of 18 Grandma homes as of year end 2016. Not only have the new homes been incredible blessings to the Grandmas and their large families ...but the employment opportunity for men and women in the village has been an amazing by-product of the building process. The Shelters in the Storm work crew is becoming skilled and efficient in creating these homes.

## Another important building project completed in 2016

### Teacher Housing Project for ChristAid Academy Teachers

The two year project to provide housing for our Christaid Academy Teachers was completed in the fall of 2016. Shown here are scenes from the exciting dedication party which took place when the mission team was present in June.

The staff of the school includes 15 teachers, a school nurse and a hard working cook. The apartment building is very close to the school campus. The school and the residences have a stunning view of the mountains to the west.

## AMAZING SUCCESS DEMONSTRATED

### BY THE CHRISTAID ACADEMY GRADUATING (P7) SEVENTH GRADERS IN 2016

When ChristAid Academy first added the P7 (Seventh Grade) class a few years ago, it brought a new dynamic to the school because of the national exams that are given to all P7 graduates. This test given across the nation each November compares the academic level of all P7 Ugandan students and is very telling as to the performance of the school as well as the individual students. (Our first opportunity to compare the education our kids get to what else is available in Uganda. )

THIS YEAR.....we had 39 P7 students and when the results came back we had **35 Division 1 star students** in this highly cherish category! This is an amazing victory for a secluded "back-in-the-bush" Christian school—a true testimony to the sacrificing, validating, counseling, praying and motivating that teachers and staff have poured into these kids.

The P7 kids and teachers are pictured at left..... happy and blessed before they even knew their results. Thank you Jesus for each and every one!!

## CHRISTAID ALUMNI ORGANIZATION

The ChristAid Alumni is made up of 50+ young people who have at one time attended ChristAid Academy and in many cases gone on to attend colleges and universities in Uganda. They are “blessed to bless” and currently working together to send other young children to ChristAid Academy and other worthwhile projects such as their recent mission effort to help the people of a southern district in Uganda called “Isingiro” who are living in extreme drought conditions.

Here are pictures of their mission work in December of 2016 and of their annual planning retreat held in Kampala, Uganda. David has worked with them extensively to broaden their horizons and help them see God’s plan for their lives. **More proof ..... We are raising up the future leaders of Uganda.!**

**The 2016 Board of Directors**—Back row: Pastor Phillip Reimers, Terry Oman-Vice President,, Pastor Bruce Van Dusseldorp-President  
Front Row: Darcy Oman-Treasurer, Amy Murphy-Secretary, Diana Bailey, and Carol Blechschmidt

Our Programs Manager, Kent Stannard and our Accountant on the US side– Michelle Chaffin.
