## CHRISTIAD FALL NEWSLETTER 2017 PART 2

Dear Partners of ChristAid International:

You already know that David Mporampora will be retiring on March 31, 2017. David was the founder of ChristAid and has served it and the people of Uganda faithfully for over twenty years. He has left an indelible imprint on the ministry for which we will always be grateful. He now plans to be involved in other ministries in Uganda.

The Board of Directors and David have discussed at length an appropriate retirement package. At his request and the Board's approval, it was decided to release David to request gifts from partners of ChristAid for his retirement. His hope is to purchase an apartment complex in Fort Portal which is presently for sale. That business would provide a regular income for him as he pursues other ministry opportunities.

David may be in contact with you to support him in this endeavor. It is our desire to inform you that we, the Board of Directors, support David in this venture. Please pray concerning what God may be calling you to do in response to David's request.

On behalf of the Board of Directors, thank you for your continued support of the ministry of ChristAid. We continue to appreciate and depend upon you as we move forward into the future.

Sincerely,

Bruce Van Dusseldorp

President, ChristAid International

This scene is from the July 2016 house dedication for Grandma Malyia Salome, (at right) who received the first HYBRID house ever! It is a blending of a block house and a native house common in Kicuna. The concept was developed for Grandmas who live in such a remote location, that our heavy blocks can not be transported to their home sites for lack of roads in the area. The mission team is praying over the house and those who will reside there. (David is in the middle with his Bronco hat on ...he's still a fan!)

David is shown here standing in front of the headwaters of the mighty Nile River on safari with the 2016 Mission Team to Murchison Falls National Park in northern Uganda. (In case you are curious, those lions are resting on a termite hill, and those are giraffes in the distant background.) It doesn't get much cooler than that!!

The 2017 Mission Team is 15 MEMBERS STRONG and headed out on March 20th for David's retirement celebration at the end of that month. They will also complete many important projects including flipping the switch on solar power in the ChristAid Academy and the first FLUSH of the new sanitary sewer system for the school kids!

**DON'T MISS THE OCTOBER 15TH CHRISTAID FUND-RAISER BANQUET WHERE DAVID'S FAREWELL VIDEO WILL BE SHOWN. HE HAS MANY FOND MEMORIES TO RELATE THAT HE HAS MADE OVER THE LAST 20 YEARS!**
