

GRANDMAS for JESUS

Gift List

Thank you for loving and giving hope to a needy child or grandma in Uganda!

The following are the recommended gifts found on our DONATION page. If you are unsure of what to get for your child or grandma, a cash gift is always a good option as they can use it for their most urgent needs. Please remember that in order to more effectively serve the needs of our children and grandmas and for safety and security reasons, we do not accept sponsor packed gift packages of any kind. Thank you for your co-operation. May God bless you and your family.

In order to foster a feeling of equity we strongly recommend only giving for Christmas and other special events such as birthdays, graduations etc. Gifts for capital improvements (water, sanitation, solar, new houses, house repair, health care, etc.) should be discussed with ChristAid staff. If you feel called to give extra bonuses monthly please designate them for the unsponsored Grandmas and Ahadi Kids. Thank you for your understanding.

Gift prices include gift costs as well as distribution expenses. Gifts are normally given as requested. However, ChristAid may occasionally give a different gift of equal value to your child or grandma if the requested item becomes unavailable or if it is not appropriate for their living situation.
